

## How will you transfer your mortgage payments?

**Don't let the banks cash in. Currency specialists HIFX could save you \$1000's on international transfer fees!**

Once you have purchased your French property you will still need to buy and transfer currency on a regular basis to cover overseas mortgage payments. However, organizing regular currency transfers can be a headache. Currency fluctuations can make budgeting impossible and the international transfer fees and commissions charged by your bank can soon add up to a tidy sum over time.

Help is at hand! HiFX has developed a Regular Payments Abroad service enabling French Property Inside clients to fix the rate of exchange and organize payments abroad for up to 24 months ahead. The service is currently used to make over 20,000 payments every year, and because the process is fully automated HiFX guarantees customers will never miss a payment. All you need to do is arrange a monthly direct debit, and the benefits include:

### **FREE**

**No transfer charges!**

Unlike most banks, with HiFX every monthly transfer is free (which alone could save you over \$300 each year).

### **FREE**

**No bank receiving charges!**

HiFX has eliminated all international bank receipt charges - GUARANTEED!

### **FREE**

**No Commission!**

With HiFX all transfers are commission free. Most banks can charge as much as 2% per transfer.

### **FREE**

**Stress free!**

Fix the rate for up to 24 months so you will know exactly how much money is being debited from your US account every month and because all payments are made via direct debit, the whole process is automated for total peace of mind.

Every year 25,000 private individuals use HiFX. Recognized as a leader in foreign exchange, they are the only currency specialists to be consistently ranked within the top 3 most accurate foreign exchange forecasters in the world by Reuters.

**Please complete the initial enquiry form below and return it to French Property Insider. If you have received this electronically you can contact HiFX directly by filling in this simple information request form and a consultant will contact you shortly. [FORM](#)**
